

Return to Sport – Guidelines – as at 18 June 2020

Range Responsibility

- Display conditions of entry – consider displaying the maximum number of people allowed in each area at a clear place of entry.
- Ensure the total number of people in a range complex does not exceed 1 person per 4 square metres including range staff.
- The maximum number of people permitted on an individual shooting range is 20 people excluding range staff, but not exceeding 1 person per 4 square metres including range staff – whichever is the lesser.

Under no circumstances is there permitted to be more than 1 person per 4 square metres either on a portion of a range complex or the whole complex.

- Reduce crowding where possible and promote physical distancing with markers on the floor, including where people would normally queue.
- Chairs/seating may need to be removed to accommodate social distancing.
- Ensure there is adequate hand sanitiser around the facility and hand wash in the wash rooms.

All Member's Responsibility

- If you are feeling unwell, have any symptoms of COVID-19, or have been in contact with someone affected by COVID-19, do not attend the range.
The club has the right to insist that anyone with these symptoms leave the premises.
- Bring your own pen to sign in.
- On arrival at the range, hand sanitise before signing in.
- Members are required to maintain social distancing rules. (Currently 1.5m or 1 person per 4 square metres).

- Change rooms should not be used – you are encouraged to change/shower at home where possible.
- Adopt good hygiene practices.
- Members are required to thoroughly wash their hands at the completion of their time at the range.
- Shooting bays to be wiped down at the completion of competition.
- There is to be no sharing of guns or equipment.
- No club shooting mats will be available, so each member will need to bring their own if they require one.
- During competitions, all competitors will score, record and patch their own targets (using own pen).
Patches to be dispensed before the start of shooting.
If during ISSF matches, the competitor experiences a malfunction, the competitor will raise their hand and under supervision of the Range Officer, clear the malfunction themselves.
- Only every second bay can be used on the range.
- Canteen to remain closed, so members will need to bring their own food/water if required.
- Please read and take notice of any safety signs regarding COVID-19.

Record Keeping

COVID-19 Record Keeping to include:

- Name, mobile number or email address for everyone attending the range.
- Records to be stored confidentially and securely.
